Re: United States v. Anthony Scibelli
Criminal Docket No. 08-76(JBW)

Dear Judge Weinstein:

The government is in receipt of the defendant's letter regarding the above-captioned case in which he requests that the Court issue an order terminating his probation. The government consents to the request in light of the fact that it is the government's understanding that the defendant has complied with all the requirements of his probation to date, and that the Department of Probation also consents to the defendant's request that his probationary period be terminated.

If the Court needs anything further, please don't hesitate to contact me.

Respectfully submitted,

LORETTA E. LYNCH
United States Attorney
